Email (if applicable)

Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There are not enough fields for how many people playing hockey. Another field would encourage more people to play. And would I be able to give us better training times

Please continue on reverse side if further space is required.

Thank you for making this submission.
