Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Not enough decent times to train, we train too  
early then have to go to school, too many  
late night games, not enough turfs for appropriate  
times for all games for all grades.

Please continue on reverse side if further space is required.

Thank you for making this submission.
