Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We play on Sundays and we're the
second top grade, we practice late
in the evenings because this is the
only time available. We need more
turfs, and more money to fund

Please continue on reverse side if further space is required.
