Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Two new artificial fields to
ensure the continued growth
of Hockey among young people
in Christchurch. The lack of
turf is impact on families
as training and playing times
have to happen when the the-
current turfs are available.

Please continue on reverse side if further space is required.
