Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

- Premier hockey teams are training at 10pm.
In winter the turf frosts over + as such
is not conducive to advancing players
talent.

- Christchurch is losing it's hockey scope/
development due to the late times as
individuals are not willing to commit
to ~~late~~ absurd times.

Please continue on reverse side if further space is required.

Thank you for making this submission.
