Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

It is such a shame that because there
aren't enough turfs that young kids
are having to play on grass at 8 o'clock
on a Saturday morning.

Please continue on reverse side if further space is required.

Thank you for making this submission.
