Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Not enough fields for the amount
of juniors who wish to play.
Immediate planning / building of new
fields asap.

So more children can play on
turf rather than second grade grass
fields

Please continue on reverse side if further space is required.

Thank you for making this submission.
