Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To make more time available for
practices at reasonable times of the day.
Also it would be great to have
two good water turf available over
at Sunweek park so both sides of
city have good facilities available.

Please continue on reverse side if further space is required.

Thank you for making this submission.
