Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There is very little ~~is~~ or no
warm up time on the turf because
of the number of game that need
to be played. Also hard to get training
times.

Please continue on reverse side if further space is required.

Thank you for making this submission.
