Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Because hockey is growing in popularity
and pressure is being put on the
current turfs in regards to fitting all
grades in and accomodating trainings for
clubs and rapid canterbury NZ rep
players + teams.

Please continue on reverse side if further space is required.
