Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There are not enough artificial turf  
grounds in christchurch to accommodate  
Hockey teams here! The ones we  
have are not enough as it is.  
As it is still a growing sport  
here we need to have more Artificial  
turfs.
