Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To foster a team spirit that increases fitness and dedication in our young hockey players. Buy out Canterbury. Build a 4th full size arena. presently the limited fields are severely inhibiting growth and excellence

Please continue on reverse side if further space is required.

Thank you for making this submission.
