Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

- more turfs = more turf time  
which will provide more quality practices.
- lots of hockey players so we need more turfs.
- We train too early at the moment because there aren't enough turf sites!

Please continue on reverse side if further space is required.
