Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Not enough time for all teams to train
have to do early morning and
late nights to try maximise the practice
time.

Would like to train more often but
not enough space for all teams.

Please continue on reverse side if further space is required.

Thank you for making this submission.
