Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We should have a new turf because
having early games means a lack
of audience and a lack of
enjoyment from the players.
So a new turf would be
beneficial in getting new
players and keeping people
active. Maybe Nunweeh
would be the best spot.

Please continue on reverse side if further space is required.

Thank you for making this submission.
