Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Shortage of good quality turfs #
which means teams miss out on
training + have to train late at
night.

More water turfs built, or at least upgrade
Nunweek.

Better / more turfs mean more tournaments
can be played in chch bringing
more money into economy and
further develop local players skills.

Please continue on reverse side if further space is required.

Thank you for making this submission.
