Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To develop hockey at all levels, and to
cater for all grades so that teams are
not playing/practising at 9 or 10 at
night and younger players don't have
to start at 7.00am during winter

Please continue on reverse side if further space is required.

Thank you for making this submission.
