Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To help continue the development of  
hockey in the region and to ensure  
that artificial fields are not overly  
crowded and hence detrimental to  
overall hockey quality.

Please continue on reverse side if further space is required.

Thank you for making this submission.
