Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

there is currently not enough turf available for the amount of players in Canterbury! premier level clubs are training at 11p 10pm at night and 6am in the morning due to not enough turfs available - this is discouraging players from joining certain clubs and moving away from the province!  
Needs to be reviewed as soon as possible!
