Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We need additional turfs to cater for
player numbers. Currently we have to
play to 9.00pm. We need to expand
hockey and provide an alternative to other
winter sports - a true international sport.
The more people playing sport the fitter
they are and young people are occupied.
Dunedin has 1 turf for 40,000? people
Invercargill has 2!

Please continue on reverse side if further space is required.

Thank you for making this submission.
