Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Allow for better training times, last year our  
team trained at 9-10pm = not ideal.  
More availability of turf time would  
allow chch hockey to increase hockey  
programmes and provide and increase  
participation in hockey for the  
canterbury region

Please continue on reverse side if further space is required.

Thank you for making this submission.
