Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

As an up and coming umpire I love
umpiring good hockey. Hockey is a sport
of the future and Canterbury are a strong
force at the moment and really need to
stay that way. Without funding this high
quality of ~~sp~~ sport and plays will
drop very quickly.

Please continue on reverse side if further space is required.

Thank you for making this submission.
