Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

• Current turf fails to provide practicing times at feasible and at unsafe times.

• Specific action = more turf

• This should be done to provide solution to above problem.

Please continue on reverse side if further space is required.

Thank you for making this submission.
