Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

- To not turn away players from hockey due to ~~the~~ there not being enough turfs.
- To have decent game times - Saturday provides a better social atmosphere which is part of team sports.
- Specific action - build another turf, although expensive other smaller cities & towns have same amount of turfs as Chch eg Taunanga, Palmerston North (including fielding).

Please continue on reverse side if further space is required.

Thank you for making this submission.
