Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The existing fields are used
to such an extent that it is
not possible to accommodate
national team requirements
for local players in national
squads to train on a regular
basis.

Please continue on reverse side if further space is required.

Thank you for making this submission.
