Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The number of turfs currently in
Christchurch is not enough. They
are overbooked for most days; some
teams have to practise at 9pm because
there are no other times available.

Please continue on reverse side if further space is required.

Thank you for making this submission.
