Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

- The existing fields are unable to accommodate existing members effectively with teams playing at ridiculous times

The sport is at capacity and players are forced to turn players away due to lack of space.

Please continue on reverse side if further space is required.

Thank you for making this submission.
