Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Currently there are not enough turfs available for the youth teams to practise on and hence some young teams are waiting until 7.30pm for a coaching slot. Resources are limited and if the sport is to be promoted to new players we need more turfs or offer

Please continue on reverse side if further space is required.
