Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

- Because the existing fields
can not support the size of
the sport.
- The council needs to help fund
the cost & continued up keep.
- To ensure community &
family cross over & continue
to grow & support each other.

Please continue on reverse side if further space is required.

Thank you for making this submission.
