Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

To fully develop hockey in Canterbury  
there needs to be more artificial fields.  
This would enable more players to play  
on turf rather than grass & develop  
skills

Please continue on reverse side if further space is required.
