Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The current number of turfs does not allow
all teams to currently train. Our team is
Div 2 & having to train @ 9-10pm in winter.
Also due to few turfs & Adult grades
having to be played on Sundays clubs
are missing out of players attending social
functions resulting in loss of revenue. For
the future of hockey in Canterbury more resources
must be made available.

Please continue on reverse side if further space is required.

Thank you for making this submission.
