Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There is a real shortage of turf in Chch and the sport is growing. Canterbury is very strong in hockey and we also host some great international games which is great for the city. Kids are practising quite late at night just to get turf time. Or and the grass or in halls. There is plenty of space at Nunwick or Pottit Park for another turf.

Please continue on reverse side if further space is required.

Thank you for making this submission.
