Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

The present turf are over subscribed
Young people have to practice & play
at unreasonable hours. The lack of
turf are inhibiting the ability of the
sport to cater for the numbers players &
also develop existing players as some
teams have to play on grass. This
turf needs to be a point to allow hockey
to attract tournaments includ^s the
international tournaments

Please continue on reverse side if further space is required.
