Phone No (evening) 980 3577

Email (if applicable) _____

Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

New additional hockey fields are needed in Christchurch. At present there are only 3 full size fields. Due to lack of artificial turfs children are having to play in the dark later into the evenings. This certainly doesn't encourage continued participation in the sport.
The council needs to provide more artificial turfs so the sport of hockey can grow which it currently can't due to lack of turf time

Please continue on reverse side if further space is required.

Thank you for making this submission.
