Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Because we would have more training
times And we will get better at hockey
there would be a higher standard of hockey
also we would get more people from
Christchurch in the black sticks. We would
Also get alot more people involved in the
sport so we would get stronger teams
And have more of a competition then
usual. our prov if we had more
players We would have more Fun!
