Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Canterbury needs at least another two
turfs, with the growth of hockey, and the continue growth.
? could put another turf at rainweek, it
has good parking, easy to get too.
? a turf at Hadley, ? old sale yards, would
also be good place to put one.
