Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Canterbury as a province is traditionally
 an exceptionally strong at hockey and
 with high player numbers more fields
 would provide a wider base for
 development. More turfs keep people
 active. Also provide teams with
 more appropriate playing/training
 times.

Please continue on reverse side if further space is required.
