

SUBMISSION FOR THE LTCCP CCC**SUBMITTERS: The Awa-Iti Reserve Committee****SUBJECT: Restoration of Awa-Iti Memorial Gates**

The Awa-Iti Reserve Committee is writing on behalf of many in the area and others who are concerned at the state/integrity of the Memorial gates situated on State Highway 75 Awa-Iti Domain.

We wish the council to allocate funding in order that restoration of the gates can take place in the near future.

The Reserve Committee is very mindful of the Centenary celebrations of Anzac Day; this will undoubtedly be a huge day.

There are 33 names on our memorial, and descendants return each year to celebrate and remember why their lives were given.

Being part of the foundation of our very young culture, we ask that funding is made available for the up-grading of the memorial.
