Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Christchurch is being left behind in a number
of sporting area where they used to
have a good hot held in. I have
lived in other areas of NZ and their
sporting community is growing at a
huge rate, mostly due to assistance
of local council
