Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We need another turf because currently it is
very difficult to get turf time for games
and training.

Also if another full size turf was in another
location it would give individuals a closer
option to train. Last year when living
in Lincoln it to 35min just to get to
training.

Please continue on reverse side if further space is required.

Thank you for making this submission.
