Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

- There is not enough <sup>to</sup> accommodate the development of top level teams and coaches
- Travel from Riccarton to Porritt Park is ridiculous
- Allocate space and funds for additional turfs. So we can further the development of hockey in Canterbury.

Please continue on reverse side if further space is required.

Thank you for making this submission.
