Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Can you please understand that Hockey
is an up & coming sport that is
as challenging as Soccer etc.
We need the turf space for future
generations and young teams that
have huge potential for NZ players.

Please continue on reverse side if further space is required.

Thank you for making this submission.
