Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

So more games can be played AM rather than
8pm (for a 13 yr old going to school on
Monday morning she needs to be home earlier)

Please continue on reverse side if further space is required.

Thank you for making this submission.
