Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

A third turf is desperately needed to
alleviate the pressure on the CHA to fit all
senior & junior hockey. At this point there is
no room for expansion which is of serious
concern when we are trying to compete with other
sports.

Please continue on reverse side if further space is required.

Thank you for making this submission.
