Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

My son aged 15 is talking of giving up hockey as he has to play on a Sunday night! - should be able to complete all sport on a Saturday like other codes!!

Please continue on reverse side if further space is required.

Thank you for making this submission.
