Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

We are at capacity now, with  
late night training sessions i.e.  
8.30 to 9.30pm weeknights.

A new turf would be a huge  
benefit to the whole of Cnty.

As more players can practice  
& more games can be scheduled.

Come to Porritt on a Saturday  
it is a very busy place!!

Please continue on reverse side if further space is required.

Thank you for making this submission.
