Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

Canterbury Hockey desperately need ^{additional} ~~additional~~
turfs - We can not accommodate the players
we have. My granddaughter can not have ^{at 8:30p}
practices as all the turfs are booked. ^{training} _{for 13 year olds is not acceptable}
The sport wants to grow - How can we recruit
new players when we have no where to
put them.

Please continue on reverse side if further space is required.

Thank you for making this submission.
