Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

My son has played hockey for the last
six years and is now also junior umpire.
The request for more hockey turfs is
paramount. The issue of practise time on
turfs during midweek for all teams has
reached crisis point. If there were more turfs
available for play the children would not have to
contend with ice on the turf for those real early
games as the times could be later to help with this
in the height of winter. Hockey is a very popular sport
