Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

With so many grades including school teams the games  
are spread over a ridiculous amount of time for <sup>late Friday</sup> all day <sup>Saturday</sup> and <sup>Sunday</sup> late  
Schoolchildren. As a family our weekends are spent  
going from one game to another and VERY late  
and tires out children. Never mind the distance  
around town. Having more fields will allow games  
to be played at more sensible hours - when it isn't COLD  
and dark. Look at all the tennis courts and netball courts and  
I would suggest a pitch/field that is situated to <sup>rugby fields, Day net hockey !!</sup>  
cater for southern suburbs.

Please continue on reverse side if further space is required.

Thank you for making this submission.
