Please be as specific as possible to help Council understand your views.

Why do you want the Council to consider the provision of additional artificial fields? What specific action you think the Council should take? Why should this be done?

There is a chronic shortage of available artificial fields for hockey. Teams are forced to play late at night or very early in the morning and some teams have to play on grass, which is a backward step. The council needs to urgently develop new artificial fields in a central location, such as the old sale yards.

Please continue on reverse side if further space is required.

Thank you for making this submission.
